

United Way of Greater Simcoe County 2009 Campaign Achievement

Congratulations to our 2009 United Way of Greater Simcoe County Award Winners. Due to inclement weather we canceled our annual Celebration event. The event will not be rescheduled but we will use every opportunity over the next several weeks to acknowledge and thank our many supporters.

These organizations, along with their dedicated and energetic teams have ensured that United Way was able to surpass our 2008 campaign achievement, raising \$1,530,000! This represents just under a 10% increase from last year's results (\$1.4 million).

We are exceptionally grateful to you all and *more importantly*, your efforts will impact an *entire community*. United Way touches one in three lives; that's approximately 150,000 people every year!

Thank You!!!
