

# Fundraising, Learning By Example

## Are your fundraising practices compliant?

- Are you a registered charity?
- Are you planning a fundraising event or campaign?
- Would you like to learn more about the Canada Revenue Agency's Guidance on Fundraising by Registered Charities?

Join us for an in-person workshop where you can learn more about the tools and learning resources available to help you comply with the Canada Revenue Agency's Guidance on Fundraising. Apply the practices and guidelines to your next fundraising campaign, event or even your existing fundraising practices.

This workshop is provided at no cost. Each participant will receive a CD containing all of the resources developed for *Fundraising, Learning by Example*, plus additional tools and resources related to operating a registered charity.

\*Spaces are limited!

## WORKSHOP TOPICS INCLUDE:

- Distinguishing between fundraising and other expenditures
- Allocating expenditures for reporting on the T3010
- Understanding how CRA assesses acceptable fundraising practices
- And much more!

The Charities File: Fundraising, Learning by Example is a joint project of Carleton University's Centre for Voluntary Sector Research and Development and the Community Sector Council of Newfoundland and Labrador.

This workshop has been made possible by a financial contribution from the Canada Revenue Agency.
