In celebrating our  
**50<sup>th</sup> Anniversary**

Our 50<sup>th</sup> anniversary this year provides us with an opportunity to reflect on the meaning of giving and all that has and will be accomplished over our history in Greater Simcoe County.

Through countless acts of kindness our community has shown — time and time again — that we can change the world. We can help those unable to help themselves ... we can feed the hungry ... we can house the homeless ... we can fight for just causes.

***We can achieve Community Impact.***

While there is still vital work to be done to make our world a better place, United Way believes it's important to recognize the countless individuals and organizations who have already given and accomplished so much over our history and to celebrate going forward.

As such, we are asking that anyone who has been involved in United Way over our 50 year history, to please contact us to find out how you can participate in our celebrations, share your stories of past involvement, or become active in the 2009 campaign.

Thank you to Greater Simcoe County community members who continually show the world that the spirit of giving is alive and well, and *stronger than ever.*
